Group Exhibition and Performances

Saturday, 11.1. to Sunday, 19.1.2025 at K72 (Konradstrasse 72, Zürich)

This is about going public as First Issues that translate experiences of marginalized stories into artistic forms and thereby share a collaborative space of exchange, empathy and solidarity.

This is also about First Issues in terms of the manifold challenges we encountered — different biographical backgrounds, nationalities, experiences of (im)migration and classism — and will still encounter through and by our positionings of being de-centered and thereby de-centering common understandings of “Swiss stories”.
